KCSO Dive Rescue Team Searches for Missing Boater

Coeur d'Alene, ID – The Sheriff's Office Dive Rescue Team has been actively searching Lake Coeur d'Alene in the area of Powderhorn Bay for 68 year old Larry D. Isenberg who was reported to have fallen into the lake.

At 10:25 a.m., the Kootenai County Sheriff's Office received a 911 call from Laurcene B. Isenberg stating that Larry D. Isenberg had fallen into the lake while attempting to repair a problem with one of the motors on the boat they were in. Laurcene attempted for some time to locate Larry on her own without success.

Members of Eastside Fire District were the first to arrive in the area at 10:55 a.m. where Larry was last reported to have been seen. KCSO Dive Team members arrived shortly thereafter and began their search. Currently four KCSO boats have been deployed to search the area along with another rescue boat from Eastside Fire Dist.

We will provide updates as they become available.

Ben Wolfinger, Sheriff
