KCSO Seeking Public Assistance Locating Missing Elderly Male

The Kootenai County Sheriff's Office is seeing assistance from the public in locating Lyle O. Anderson, 86, of Hayden, whom the family states they have not seen or heard from since last Monday, June 4, 2018.

Although no family members have seen or spoken to Anderson since then, information indicates the possibility that he went missing on Thursday, June 7th.

It is likely that Anderson, who has some medical concerns, went for a drive into the back country, with his dog, as this is one of his favorite activities. The dog is a Jack Russell terrier. Anderson likes to frequent the area of the North Fork of the Coeur d'Alene River, including the Horse Haven area, however there is no information which would indicate he might be in this area over any others.

Anderson is believed to be driving his dark grey 2014 Jeep Patriot SUV, bearing Idaho license plate K563230.

Anderson is described as 5'9" tall, 210 pounds with grey hair and blue eyes. There is no information available as to what he is wearing. A relatively current photo of Anderson is attached to this release.

UPDATED INFORMATION June 10, 2018 @ 8:30PM

An additional photo of Anderson and his dog, Kiera, has been sent out.

Anyone with information regarding Anderson or who may have seen him in the last week, is asked to call the Kootenai County Sheriff's Office at 208.446.1300, re: Case # 18-24174.
